PROFESSIONAL SUMMARY

MBA graduate in International Business Development (ICD Business School, Paris) with hands-on experience in market research, business development support and marketing operations at Way.com (United States, remote). Supported strategic planning, email marketing, audience segmentation and app-store optimisation, building on a background in office administration and IT support. Since 2024 has also worked in French restaurant operations, training and coordinating teams in a fast-paced, customer-facing environment. Strong in research, KPI tracking, cross-functional coordination and business communication. Seeking a business development, marketing operations or market research role in France or internationally. Available immediately.

CORE SKILLS

Business & Research: International business development support, market and competitor research, data analysis, KPI monitoring, negotiation, business communication

Marketing & Coordination: Email marketing, audience segmentation, CRM and relationship marketing, app-store optimisation (ASO), project and cross-functional coordination

Tools & Technical: Microsoft Office 365, Microsoft Excel, SQL, RDBMS, Google Analytics, IT troubleshooting, network and server support

Languages: English (full professional proficiency), French (elementary)

PROFESSIONAL EXPERIENCE

Crew Trainer (Formateur) Oct 2025 – Sep 2026
McDonald's, France

- Trained and supported new team members on service procedures, hygiene, quality and daily operating standards
- Coordinated team positions and workflow during busy shifts to keep service fast and consistent
- Worked across customer service, cash operations, kitchen, fries and beverage stations, and office-related tasks
- Communicated daily with customers and colleagues in a French-speaking, multicultural team

Market Research Intern Mar 2025 – Sep 2025
Way.com Inc, United States (Remote) | Car-services and mobility platform

- Supported the Marketing Director with strategic planning, project coordination and cross-functional communication
- Assisted the email marketing team with content, audience segmentation and campaign performance tracking
- Contributed to app-store optimisation through keyword research and metadata optimisation with the ASO team
- Researched Way.com's digital ecosystem, analysing its innovation, technology adaptability and business strategy

Office Assistant (Part-time) Dec 2024 – Jun 2025
McDonald's, Paris, France

- Provided administrative and operational support for smooth daily restaurant operations
- Assisted with cash reconciliation, billing procedures and daily financial records
- Maintained operational documents, reports and administrative records; handled internal communication

Business Development Intern Aug 2024 – Sep 2024
Way.com Inc, United States (Remote)

- Supported the identification, evaluation and development of potential business opportunities in a digital mobility and car-services business

Administrative Assistant & System Operator Jun 2022 – Sep 2023
RPTC Centre for Language Studies, India

- Organised and maintained office files, records and administrative documentation
- Managed schedules and calendars for staff and instructors
- Supported the installation, configuration and maintenance of servers and networks

MBA ACADEMIC PROJECTS

- **Fatburger – Strategic Marketing & Brand Analysis** – Group project analysing brand positioning, competitive landscape and marketing strategy in the international fast-food industry: brand and competitor analysis, SWOT, customer segmentation, customer-journey touchpoints, digital marketing, loyalty strategies and international expansion through franchising.
- **Social Media Strategies of Lamborghini and Ferrari** – Critically evaluated both brands' strategies using the social marketing process model (fan acquisition, engagement, community building); identified strengths and weaknesses and made tailored recommendations for the luxury automotive sector.
- **Tesla Marketing Strategy & Inbound Plan** – Analysed Tesla's approach to reaching its target audience and the balance between media and off-media channels; recommended an inbound marketing plan to attract and convert potential customers.
- **Tesla's Brand Equity in CRM** – Analysed Tesla's brand equity (disruptive innovation, brand loyalty, sustainability) using established brand-equity models.
- **Patagonia – Reputation Management & Customer Loyalty** – Strategy project on reputation management and customer loyalty.
- **Valeo Service – Digital Marketing "Growth Hackers"** – Digital marketing project on growth-hacking approaches for Valeo Service.
- **BlackBerry: The Fallen Kingdom (May – Jun 2024)** – Research project analysing BlackBerry's decline and the importance of continuous innovation and adaptability in the technology industry.
